The proposed rule maps that follow constitute the version that has been signed by the appropriate officials of the Department of Commerce. This proposed rule is in the process of being submitted to the *Federal Register* and will be published therein in the near future. Please note that ministerial or formatting changes could occur to the text and maps prior to publication in the *Federal Register*. Though it is not intended or expected, should any discrepancy occur between the document provided herewith and that published in the *Federal Register*, the *Federal Register* publication controls. Further, the date of publication in the *Federal Register* will establish the official deadline for the acceptance of public comment on this proposed rule, although NMFS will accept comment on the proposed rule beginning today. All comments received will be considered in the context of issuing a final rule. The proposed rule maps are being made available through the Internet solely as a means to facilitate the public's access to this document and to provide an additional means of notifying the public of the solicitation of public comment on the proposed rule.
